

## **FALCONS FOOTBALL**

March, 2021

Dear Parents,

It is with hopeful optimism that I write to you. Here at Philemon Wright, despite many unknowns, we are going ahead with our plans to field a Juvenile Football team for the Fall of 2021 to compete in RSEQ.

Because we had no season in 2020, in many ways we are starting fresh.

Before our coaching and management staff start planning for the Fall season, we need to first establish whether there is sufficient interest amongst our students to field a team. In 'normal' times, we would host a lunchtime meeting to gauge interest, but right now that is impossible. So, what we are hoping to get is simply a list of names of interested players to give us an idea of a) if we can field a team and b) if we can compete in a 12-player or 9-player league (if there will even be those options in the Fall, we do not yet know).

If your child was born between October 1, 2003 and 30 September 30, 2006 and is genuinely interested in participating in our Juvenile Football program, I would like you to please email me, Nick Mosher, at [nmosher@wqsb.qc.ca](mailto:nmosher@wqsb.qc.ca) , and tell me:

- 1. Your child's name**
- 2. Their Date of Birth**
- 3. Their Position (if known)**

*\*please note that no previous experience is necessary for becoming a member of the team*

**Deadline for response is April 1**, because we need to commit to RSEQ no later than April 14<sup>th</sup>, 2021.

Thank you in advance for your cooperation and support,

Sincerely,

Nick Mosher (Coach and Manager)
