Selection Criteria

To be eligible for the program, applicants must meet the following criteria:

- The student must be accepted into a recognized Sport-Études association or a school-approved sports concentration program (see the following page for approved programs).
- The association or program must provide an official letter of acceptance confirming the student's enrollment.
- Information regarding the student's current academic performance and attitude toward learning must be provided and signed by a current teacher.

Required Documentation:

1. Official acceptance letter from the Sport-Études association or approved sports concentration program.
2. Teacher recommendation or evaluation outlining the student's academic standing and attitude toward studies, including the teacher's signature.
